

# One More Time

## Nick & Knight

Do you remember  
laying on the floor.  
So drunk you felt we never laughed like that before  
Or the time we broke up  
when you were having doubts.  
We tried to talk it out but started making out

I know that you been thinking  
youâ€™re better off leaving  
but youâ€™ll never going to find another me.  
(Whoa ho ho)  
Your gonna feel so stupid when you realize what you did  
No one could make you feel like me.  
No one else is gonna make you goâ€™

(Wooo hoo)  
Itâ€™ll never be this good  
(Wooo Hoo)  
No one else could love you like  
(Wooo Hoo)  
Itâ€™ll never be this good  
(Wooo hoo)  
So let me get it one more time  
(Whoa oh oh Whoa oh oh Whoa oh oh)  
So let me get it one more time

Donâ€™t you remember?  
Just how I made you feel  
the night you came home crying cause you crashed your car  
again  
Now your talking about just friends  
but youâ€™d be lying to yourself if you thought someone else can take my place

I know that you been thinking  
youâ€™re better off leaving  
but youâ€™ll never going to find another me.  
(Whoa ho ho)  
Your gonna feel so stupid when you realize what you did  
No one could make you feel like me.

No one else is gonna make you goâ€¦

(Wooo hoo)

Itâ€™ll never be this good

(Wooo Hoo)

No one else could love you like

(Wooo hoo)

Itâ€™ll never be this good

(Wooo hoo)

So let me get it one more time

(Whoa oh oh Whoa oh oh Whoa oh oh)

So let me get it one more time

(Whoa oh oh Whoa oh oh Whoa oh oh)

So let me get it one more time

One more time

Let me get it one more time

Let me get it one more time

Tonight

One more time

Let me get it one more time

Let me get it one more time

Tonight

No one else is gonna make you goâ€¦

(Wooo hoo)

Itâ€™ll never be this good

(Wooo Hoo)

No one else could love you like

(Wooo hoo)

Itâ€™ll never be this good

(Wooo hoo)

So let me get it one more time

(Whoa oh oh Whoa oh oh Whoa oh oh)

So let me get it one more time

(Whoa oh oh Whoa oh oh Whoa oh oh)

So let me get it one more time
