

Everything (Live At Gelredome)

Anouk

Mmmm
Mmmm
Mmmm
YeahNow I believe
That what I used to think
Was a lie
Is really a life
Now I can see
There's only one place to reach
Only one thing to preach
And that's the highestIt's the strangest thing
That I can feel so muchThere is no reason
There is no logic to feelings
'Cause when love is the dealer I'm addictedSo fascinating
I can't stop this constant craving
You're contagiousIt's the strangest thing
That I can feel
So much for someone somehowIt's the strangest thing that
I can feel
So much for someone somehowAnd I cannot hide
Even if I try
You mean everything to meAny fool can see
What you've done to me
You mean everything to meAnd when you're not here
I just cry, hey hey
And when you're not here
I could dieMmmm
Mmmm
MmmmYet the best is still to come dear
Yet the best is still to come
For us
Yet the best is still to come dear
Oh, the best is still to comeIt's the strangest thing
That I can feel
So much for someone somehowIt's the strangest thing that
I can feel
So much for someone somehowAnd I cannot hide even if I try
You mean everything to me
Any fool can see what you've done to me

You mean everything to me And when you're not here

I just cry

And when you're not here

I could die I could die

I could die

I could die And I cannot hide

even if I try

Yeah yeah yeah yeah Mmmm

Mmmm

Mmmm
