

Despacito Mashup

[Michael Constantino](#)

Come on over in my direction
So thankful for that, it's such a blessin', yeah
Turn every situation into Heaven, yeah
Oh, you are
My sunrise on the darkest day
Got me feelin' some kind of way
Make me wanna savor every moment slowly, slowly
You fit me, tailor-made love, how you put it on
Got the only key, know how to turn it on
The way you nibble on my ear, the only words I wanna hear
Baby take it slow so we can last long
I'm the one
Oh-eh-oh-oh-oh, oh-eh-oh
I'm the one
Oh-eh-oh-oh-oh, oh-eh-oh
I'm the one
Oh-eh-oh-oh-oh, oh-eh-oh
I'm the only one And if you feel you're sinking, I will jump right over
Into cold, cold water for you Don't you give up, nah-nah-nah
I won't give up, nah-nah-nah
Let me love you
Let me love you
Don't you give up, nah-nah-nah
I won't give up, nah-nah-nah
Let me love you
Let me love you
For all the times that you rain on my parade
And all the clubs you get in using my name
You think you broke my heart, oh girl for goodness sake
You think I'm crying on my own, well I ain't
And I didn't wanna write a song
Cause I didn't want anyone thinking I still care
I don't but, you still hit my phone up Yeah, is it too late now to say sorry?
Cause I'm missing more than just your body
Is it too late now to say sorry?
Yeah I know that I let you down
Is it too late to say I'm sorry now? I'm sorry... yeah... I'm sorry... oh oh... I'm sorry
Yeah I know that I let you down
Is it too late to say I'm sorry now? I gave you the key when the door wasn't open, just admit it What do you

mean?Theres gunna be one less lonely girlAs long as you love me

We could be starving, we could be homeless, we could be broke

As long as you love me

I'll be your platinum, I'll be your silver, I'll be your gold

As long as you love, love, love, love me

As long as you love, love, love, love meI'm like

Baby, baby, baby noo

I'm like

Baby, baby, baby nooDes-pa-cito

Quiero respirar tu cuello despacito

Deja que te diga cosas al oÃ-do

Para que te acuerdes si no estÃ;s conmigo

Des-pa-cito
