More I See

S. Carey

Everything you live for
Boils down in mud
Broken leg, I lay here
Lost in floodAnd when I'm naked
Deciding
No, I ain't just survivingI know I must do this
Come on, little one
No, we won't defend you
We live on and onAnd when I'm naked
Deciding
No, I ain't just surviving
The more you know, the less you see
The more it's coming back to me
The more I see you
The more you know, the less you see
The more it's coming back to me
The more I see you
The more you know, the less you see
The more it's coming back to me
The more I see you
The more you know, the less you see
The more it's coming back to me
The more I see you
Deciding
The more you know, the less you see
The more it's coming back to me
The more I see you
The more you know, the less you see
The more it's coming back to me
The more I see you
