Let It Be Me

Nancy Sinatra

Advisory - the following lyrics contain explicit language:

If for each bit of gladness
Someone must taste the sadness
I'll bare the sorrow
Let it be meNo matter what the price is
I'll make the sacrifices
Through each tomorrow
Let it be meEach time we meet love
I find complete love
Without your sweet love
What would life beSo never leave me lonely
Tell me you love me only
And that you'll always
Let it be meI bless the day I found you
I want to stay around you
And so I beg you
Let it be meDon't take this heaven from one
If you must cling to someone
Now and forever
Just let it be meSi tu me condamne
Je t'aime, mon amour
Au court des flambers
Je n'ai peur rienSo never leave me lonely
And tell me you love me only
And that you'll always
Let it be meJe t'appartien
Let it be me
