

My Own Zero

Zap Mama

I love you like you are
You are my own zero
I love you like you are
You're my own hero You're not a hero on the TV
You're my own hero
If others call you zero
It's because they count
In the wrong way I love you like you are
You are my own zero
I love you like you are
You're my own hero Why did you surrender ?
You say I'm not good enough for you
Who am I? Do I deserve you ? I love you like you are
You are my own zero
I love you like you are
You're my own hero You are important to me
For the man you are
Please hold me
I even accept you
When you're down I love you like you are
You are my own zero
Love me like I am
I'm gonna be your goddess I love you like you are
You are my own zero
I love you like you are
You are my own zero You are my own zero
