

# Mr. Brightside

## Jealous Guys

I'm coming out of my cage  
And I've been doing just fine  
Gotta gotta be down  
Because I want it allIt started out with a kiss  
How did it end up like this?  
It was only a kiss  
It was only a kissNow I'm falling asleep  
And she's calling a cab  
While he's having a smoke  
And she's taking a dragNow they're going to bed  
And my stomach is sick  
And it's all in my headBut she's touching his chest now  
He takes off her dress now  
Let me goAnd I just can't look it's killing me  
And taking controlJealousy, turning saints into the sea  
Swimming through sick lullabies  
Choking on your alibisBut it's just the price I pay  
Destiny is calling me  
Open up my eager eyes  
Cause I'm Mr. BrightsideI'm coming out of my cage  
And I've been doing just fine  
Gotta gotta be down  
Because I want it allIt started out with a kiss  
How did it end up like this?  
It was only a kiss  
It was only a kissNow I'm falling asleep  
And she's calling a cab  
While he's having a smoke  
And she's taking a dragNow they're going to bed  
And my stomach is sick  
And it's all in my headBut she's touching his chest now  
He takes off her dress now  
Let me goCause I just can't look it's killing me  
And taking controlJealousy, turning saints into the sea  
Swimming through sick lullabies  
Choking on your alibisBut it's just the price I pay  
Destiny is calling me  
Open up my eager eyes  
Cause I'm Mr. BrightsideI never

I never

I never
