A Picture of You

Johnny Reid

Love is like a penny in a wishing well,
It's a hand to hold and a story to tell,
And every time I think about love I see,
A picture of you looking back at you.Well I'd pick you tip in my old man's car,
We wouldn't go fast, we wouldn't go far,
And sitting right there in my front seat,
You were the prettiest thing I'd ever seen.Time goes by so fast,
And when it's gone, it don't come back.
If I could leave this world with just one memory,
It'd be a picture of you looking back at me.Well I promised your daddy I'd have you home,
And we'd swing under the porch til' he turned the lights on
And underneath the moon and a million stars
Is where I stole a kiss, and you stole my heartTime goes by so fast
And when it's gone, it don't come back
If I could leave this world with just one memory
It'd be a picture of you looking back at meTime goes by so fast
And when it's gone, it don't come back
If I could leave this world with just one memory
It'd be a picture of you looking back at me.
