

Pride

Red Sky Mary

A Cool breeze
Through the trees
Cross the seas
Where the wild things go
Hard times
Life crimes
For my dimes
Outside your window
(Lady)
The black cats
Fat stack
His welcome mat
Ain't what I'm ever gonna be
I'm the wind
Cool rain
Mud veined
Motherfucker gone insane (Take me home) No I'm done baby
(Take me out) Yeah, you had your fun
(Take me down) Open me wide, yeah yes you do
(Take me in) See what's inside
Yeah there's my pride Aw yeah there it is baby
I tell ya! Love and joys
Just your ploy
A decoy
Yeah it's all the same to you
Tuck me in
With a grin
And tell me baby
I only want you
(Woman)
But you lied
Hurt my pride
Deep inside
So now hear what I say
What goes around
Comes around
To the bitch
That always gets her way
(CHORUS) La-da-da-da-da

La-da-da-da-da-da
La-da-da-da-da
La-da-da-da-da-da
Uh-uh-uh-uh
Oh yeah, there it is
Here it comes here it comes (Baby, baby) Nobody told me
(Baby, baby) Or taught me how to feel
(Baby, baby) What's real
I still got my
(Baby) You tasted like sugar
(Baby, baby) But stung like spice
(Baby, baby) That ain't nice
I still got my
(Baby) You never return my calls
(Baby, baby) Walked your way down my hall
(Baby, baby) And through it all
I still got my, I still got my, I still got my pride
