

What Is Love?

Never Shout Never

In a sitch like this you've gotta think
And I don't think you think about the way he thinks
And I know you live life for yourself
But it all comes down to the way you help And I know your life is such a hell
You wake up early and you work until
You have your drinks at 5 o'clock
The hours blend and your thoughts all haunt
Your hopes, your dreams, your everything
Well, mama, I hope, I dream that you won't leave And I have a question:
What is love?
What is love?
La-oh oh oh-oh-oh
Is it giving up?
'Cause that's not how you
Raised me, yeah. In a sitch like this you gotta think
And I don't think you think about the way she thinks
And I know you work hard everyday
But it all comes down to the way you're paid And I know you're oh so sorry dad
I truly believe that you're a better man
Than to share one kiss and then give away
All the love you come home to everyday
Your hopes, your dreams, your everything
Well daddy, I hope, I dream that she won't leave And I have a question:
What is love?
What is love?
La-oh oh oh-oh-oh
Is it giving up?
'Cause that's not how you
Raised me And what is love?
What is love?
La-oh oh oh-oh-oh See, I don't know anymore
I used to look up to that lo~ove
