Been Around The World

August Alsina

I've been around, I've been around the world
I've been around, I've been around the world
I've been around, I've been around the world
I've been around, I've been around the worldFirst thing first, I'm off, freaks, all the honies
Dummies, Playboy bunnies, hoes getting money
That's the one they like cause they only get the pipe
And if they act right, they might get to spend the night
These girlie's wanna be with me
These hoes tryna trap a G, but I ain't with it
Money out there, nigga tryna get it
A lot 'em biches tell me I be slipping, I admit it
Had my share of every kind of girl
But lately, this ain't what you need, not me girl
'Cause you know they gon hate on you
And they really gon hate me too cause I'm too young to honest about itBeen around, swear this shit been crazy
I don't know how, I don't why I should choose one lady
Been around the world, met the girls who get down
You should know I get around, when you fucking with a nigga like me, girl I hope you see
I've been around, I've been around the world
I've been around, I've been around the world
I've been around, I've been around the world
I've been around, I've been around the worldBaby girl, show me what makes you different from the other girls
You must not know me, girl I'm the best you ever had
So girl don't you start running a game on me
Don't be listening to them weak niggas, a nigga rich, we taking trips, I spend a week witcha
Baby now we on the beach, rolling in the sand
Go to Paris, I know you like France
You can bring your girls, ain't a lot of niggas
I'mma end up grabbing your booty with both hands
Then you like "please baby"
Can we go somewhere one on one so you can put it on me baby?
Girl I'mma put it down, you know I've been around
You get the dick 'cause I
