

# Mirrors (Prod by Akon)

## Natalia Kills

Shut your mouth and close the door  
I wanna, watch you while you take it off  
I'm gonna, take a blindfold put it on  
And then I drop the letter to the floor  
I said shut up! Turning the lights out,  
Burnin' the candles  
And the mirrors gon' fog tonight!  
Tighten the handcuffs  
And the mirrors gon' fog tonight! My styletto on your neck  
Until i, tie your hands above the bed,  
You've got to, but boy don't pull the trigger yet  
Nanana, I haven't reloaded the clip  
No matter Squeeze, hot, hold that pose  
You know I like it do it sweetheart, I'm the boss  
I'll let you get close to it  
I'm gonna make tonight a show  
Oh oh  
I'll make your love grenade explode, nanana Turning the lights out,  
Burnin' the candles  
And the mirrors gon' fog tonight!  
Turning the lights out,  
Tighten the handcuffs  
And the mirrors gon' fog tonight!  
Turning the lights out,  
Burnin' the candles  
And the mirrors gon' fog tonight!  
Turning the lights out,  
Tighten the handcuffs  
And the mirrors gon' fog tonight! Sex, love, control, vanity
