Get Ready

Accept

I say come on Can you stand the heat You feel the flames Burning in the streetsGet it on, get it onThe stars of Heaven Will fall today You'll know the devil Had his dayHell, what a night, get ready Hell, what a night, hey Take your pick, get the kick It's gonna be Hell tonight, alrightA lightning blitz Comes raging down You go running For higher groundGet it on, get it onHear me tonight Your blood runs cold A killer guitar Screams in your soulHell, what a night, get ready Hell, what a night, hey Take your pick, get the kick It's gonna be Hell tonight, yeahGet it on, get it on Get it on, get it on It's coming onHell, what a night, get ready Hell, what a night, hey Take your pick, get the kick It's gonna be Hell tonightHell, what a night, get ready Hell, what a night, hey Take your pick, get the kick It's gonna be Hell tonight
