

James Dean

The Eagles

James Dean, James Dean, I know just what you mean
James Dean, you said it all so clean
And I know my life would look alright
If I could see it on the silver screen You were the low down rebel if there ever was
Even if you had no cause
James dean, you said it all so clean
And I know my life would look alright
If I could see it on the silver screen We'll talk about a low-down bad refrigerator
You were just too cool for school
Sock hop, soda pop, basketball and auto shop
The only thing that got you off was breakin' all the rules James Dean, James Dean, so hungry and so lean
James Dean, you said it all so clean
And I know my life would look alright
If I could see it on the silver screen Little James Dean up on the screen
Wonderin' who he might be.
Along came a spyder, picked up a rider
Took him down the road to eternity James Dean, James Dean, you bought it sight unseen
James Dean, James Dean, you bought it sight unseen
You were too fast to live, too young to die, bye bye
You were too fast to live, too young to die, bye bye
Bye bye too fast to live too young to die
Bye bye too fast to live too young to die
Bye bye too fast to live too young to die
Bye bye too fast to live too young to die
Too fast to live too young to die
Oo-oo-oo-oo too fast to live too young to die
Bye bye too fast to live too young to die
Oh, James Dean too fast to live too young to die
