

Mad, Mad Judy (2008 Remastered Version)

Buzzcocks

Mad mad Judy
Mad mad girl
Mad mad Judy
Mad at all the worldShe told her friend
She cried alot
And ended up in tearsWell, does she
Well, does she know?
Ain't nothing left in all
The world except insanityMad mad Judy
Mad mad girl
Mad mad Judy
Mad at all the worldShe told her friend
She was paranoid
And ended up in fearWell, does she
Well does she know?
Ain't nothing left in all
The world except obscurityShe wanted something she
Never got but don't know what it is?Well does she
Does she know?
Ain't nothing left in all the
World except diversity
