Radio In A Hole

Smile Empty Soul

Run to me, I can't live without you
I've walked up walls, over them all
So don't think you're such a queen
You're mine, mine in a sick way
You're my radio in a hole, covered up
You're all the love that could be, but never was
Care for me, like I need you
You're in my mind, it's only time
Before the drug you feed me, ends it all
You're mine, mine in a sick way
You're my radio in a hole, covered up
You're all the love that could be, but never was
It's okay to be what you want
Don't pretend to smile
It's okay to be what you are
But don't pretend to smile
You're mine, mine in a sick way
You're my radio in a hole, covered up
You're all the love that could be, but never was
It's only time, it's only time, it's only time, in my mind
It's only time, it's only time, it's only time, in my mind
It's run to me, run to me, run to m
