O Holy Night

Leona Lewis

O Holy night, the stars are brightly shining
It is the night of our dear Savior's birth
Long lay the world in sin and error pining
'Til He appeared and the soul felt it's worth
A thrill of hope the weary world rejoices
For yonder breaks a new and glorious mornFall on your knees
O hear the angel voices
O night divine!
O night, O night divine!O Holy night, the stars are brightly shining
It is the night of our dear Savior's birthFall on your knees
O hear the angel voices
O night divine!
O night when Christ was born
O night divine!
O night, O night divine!
