

SEPARATE LIVES

Haelos

How long this time
Sand in the hourglass
Never aligned
You're my scratched up 45
There isn't an end to this
That we haven't tried Are we
Waiting on a turn in the tide
To realize
These separate lives
We're still here
Waiting on a turn in the tide
Just words with no rhyme
These separate lives
Time it rolls slowly
Keep moving on
We keep on
Time it rolls slowly
Keep moving on
We keep on
Time it rolls slowly
Keep moving on
We keep on
Time it rolls slowly
Keep moving on
We keep on
Time it rolls slowly
Keep moving on
We keep on Stalling each turn
These shadows of change appear
As you return
Drifting two ways unknown
Heavy eyes on the road again
Hung on your dialling tone
Are we
Waiting on a turn in the tide
To realize
These separate lives
We're still here
Waiting on a turn in the tide
Just words with no rhyme
These separate lives Time it rolls slowly
Keep moving on

We keep on
Time it rolls slowly
Keep moving on
We keep on
Time it rolls slowly
Keep moving on
We keep on
Time it rolls slowly
Keep moving on
We keep onKeep moving on
We keep onKeep moving on
We keep onKeep moving on
We keep onKeep moving on
We keep on
