

Your Tender Loving Care

Buck Owens

I don't need a ship to sail to the ocean
I don't need fancy clothes to wear
I just need your sweet, sweet lips to kiss me
I just need your tender loving care
Winter needs the north wind and the snowflakes
Springtime needs the flowers soft and rare
I just need to feel your arms around me
I just need your tender loving care
Day goes by so slow when you're not with me
Nights are long and, oh, so hard to bare
Everything is nothing, dear, without you
And I'm nothing without your tender loving care
I just need your tender loving care
