Long Hot Summer (Extended/ Full/ 12 Inch Version)

The Style Council

I play out my role
Why I've even been out walking
They tell me that it helps
But I know when I'm beaten
All those lonely films
And all those lonely parties
But now the feeling is off-screen
An' the tears for real not acted, anymoreI'm all mixed up inside
I want to run but I can't hide
And however much we try
We can't escape the truth and the fact isDon't matter what I do
It don't matter what I do
Don't matter what I do
Don't matter what I do
Don't matter what I do
'Cause I end up hurting youOne more covered sigh
And one more glance you know means goodbye
Can't you see that's why
We're dashing ourselves against the rocks of a lifetime
