Caught Up

Chapel

I'm so caught up
In the shit that the world throws at me
The only girl I loved
Is married to someone elseWhy do you always do the same things
How are you
Why do you always say the same things
How are youI wanna be free
To do what I want to
Like I used to
When I was young
My room still smells
Like the dreams that died long ago
I hate the thoughts
That develop when you're all aloneWhy do you always do the same things
How are you
Why do you always say the same things
How are you
I wanna be free
To do what I want to
Like I used to
When I was young
