

Thirteen Question Method

Chuck Berry

The 'thirteen question method' (Chuck Berry)The 'thirteen question method' is the one to use

The 'thirteen question method' is the one to use

The 'thirteen question method' is the one

To use when you want to go have some fun

The 'thirteen question method' is the one to use

Question number one: let's have some fun

Question number two is: what to do ?

Question number three is: will you dine and dance with me?

Question number four: out the door?Question number five: I want you to know jive

Question number six: how long to get fixed ?

Question number seven: should I pick you up at a quarter to eleven?

Question number eight: is it a date ?(guitar solo)Question number nine is: where to dine ?

Question number ten: can we get in?

Question number eleven: it'll be just like heaven

Question number twelve when we're by ourselvesThe 'thirteen question method' is the one to use

The 'thirteen question method' is the one to use

The 'thirteen question method' is the one

To use when you want to go have some fun

The 'thirteen question method' is the one to use
