Listen, a blind man met Jesus
On the side of the road
He didn't know in a minute
He would be made whole
Jesus spat on the ground made a healing sap
Anointed his eye so there he left
The blind man said come on Lord and do it

A man who was lame
For 38 long years
Laid by the troubled pool
Didn't have no help to get in

Take up your bed, walk and be on your way
The lame man said come on Lord and do it
