Let's Go To The Mall

Robin Sparkles

Let's go to the mall, everybody!Come on Jessica, come on Tori,
Let's go to the mall, you won't be sorry
Put on your jelly bracelets
And your cool graffiti coat
At the mall, having fun is what it's all aboutI haven't done my homework yet (That's OK!)
And you know how my parents get (Whatever!)
I don't care,'cause all my friends are gonna be there
Let's go to the mall todayEverybody come and play
Throw every last care away
Lets go to the mall, today
Lets go to the mall everybody!There's this boy I like
Met him at the food court
He's got hair like Gretzky
And he does jumps on his skateboard
I hope he asks me out
Takes me to my favorite spot
It'll be just him and me
(But don't forget the robot)Dad says I'm too young to date (Lame!)
But baby, I don't want to wait (Let's do it!)
That's OK, I'm going to rock your body anyway
I'm going to rock your body 'til Canada DayEverybody come and play
Throw every last care away
Let's go to the mall todayI went to the mall with a couple of friends
I had a whole week's allowance to spend
I want hoop earrings and a Benetton shirt
We came here to shop and we came here to flirt
I turned around and who should I see
Prime Minister Brian Mulroney
He said, "Young lady, I don't approve."
So I had to get down and bust a crazy move
Hit it Fred, come on
Let's go to the mallLet's go to the mall, everybody!
Everybody come and play
Throw every last care away
Let's go to the mall todayEverybody loves the mall!
Everybody come and play (Yeah!)
Throw every last care away (I love my hoop earrings!)
Let's go to the mall today
