

Ticket to the Moon

Electric Light Orchestra

Remember the good old 1980's
When things were so uncomplicated
I wish I could go back there again
And everything could be the same I've got a ticket to the moon
I'll be leaving here any day soon
Yeah, I've got a ticket to the moon
But I'd rather see the sunrise in your eyes Got a ticket to the moon
I'll be rising high above the earth so soon
And the tears I cry might turn into the rain
That gently falls upon your window, you'll never know Ticket to the moon
Ticket to the moon
Ticket to the moon Fly, fly through a troubled sky
Up to a new world shining bright, oh, oh Flying high above
Soaring madly through the mysteries that come
Wondering sadly if the ways that led me here
Could turn around and I would see you there standing there Ticket to the moon
Flight leaves here today from satellite two
As the minutes go by, what should I do?
I paid the fare, what more can I say, It's just one way Ticket to the moon
Ticket to the moon
Ticket to the moon
...
