Ticket to the Moon

Electric Light Orchestra

Remember the good old 1980's

When things were so uncomplicated

I wish I could go back there again

And everything could be the sameI've got a ticket to the moon

I'll be leaving here any day soon

Yeah, I've got a ticket to the moon

But I'd rather see the sunrise in your eyesGot a ticket to the moon

I'll be rising high above the earth so soon

And the tears I cry might turn into the rain

That gently falls upon your window, you'll never knowTicket to the moon

Ticket to the moon

Ticket to the moonFly, fly through a troubled sky
Up to a new world shining bright, oh, ohFlying high above
Soaring madly through the mysteries that come
Wondering sadly if the ways that led me here
Could turn around and I would see you there standing thereTicket to the moon
Flight leaves here today from satellite two
As the minutes go by, what should I do?
I paid the fare, what more can I say, It's just one wayTicket to the moon
Ticket to the moon
Ticket to the moon
