Heart & Lun

Sean Lennon

Lately my heart and lung are aching
Sometimes i feel that all that i have
To survive
Maybe all that i know is changing
Sometimes i feel that
All you can do
Is to try
Last night
I had a dream an aeroplane
Fell out of the sky
Lately my memories are hazy

I can't remember how the story ends
Lately my heart and lung are aching
Sometimes i feel that all that i need is a friend
Last night i had a dream an aeroplane
Fell out of the sky
I have my doubt
[Instrumental break]Last night i had a dream an aeroplane
Fell out of the sky
