I Keep My Secrets Safe

Saosin

Keep me a secretSo tell me why you've come here to bend and break
I know that you have made the same mistake
Just shut your eyes to leave this world of sound
It's floating away, and I don't know whyYou keep yourself so tightly wound
It's about time you break
But it's not enough
My foolish words were neverI keep my secrets safe
I keep them hidden away from you
Like an anchor stuck to the bottomI know my secret's safe
I know it's hidden away from you
Like an anchor stuck to the bottomAnd I have always been the same
And you know that I will clean up your mistakes
Just tell me you've found a way
To stop believing everything you say, it's a lieYou keep yourself so tightly wound
It's about time you break
But it's not enough
My foolish words were neverI keep my secrets safe
I keep them hidden away from you
Like an anchor stuck to the bottomI know my secret's safe
I know it's hidden away from you
Like an anchor stuck to the bottomI never had the faith to pick myself up
Come down and take me
I never had the faith to pick myself up
Breathe in breathe outLike a magnet, you keep pulling closer
I want it all to end like this
I was stagnant 'til you entered my life
And held it in your hands
Oh you never know thatI keep my secrets safe
I keep them hidden away from you
Like an anchor stuck to the bottomI know my secret's safe
I know it's hidden away from you
Like an anchor stuck to the bottomIs this the end of myself? Is this the end?
Is this the end of myself? Is this the end?
This is the end of myself
This is the end
