You Are Everything

Tye Tribbett

I just wanna tell you what I think about YouYou are the first, the last, beginning and the end
In You I live and move and have my being
You hold my life, my world, my future all in Your hands
And You knew my name before time beganThere's absolutely nothing You can't do
Absolutely nothing compares to YouChoir: I just want to be more like You
I surrender all, make me more like You
You make all things new, Your love pure and true
Nothing else will do, I'm in love with You
Lead: You are everything, everything is You
You are everything (You are everything), everything is You (everything is You)Everybody shout now!
Choir: ohohohohohohoh!You are the first, the last, beginning and the end
In You I live and move and have my being
You hold my life, my world, my future all in Your hands
And You knew my name before time beganThere's absolutely nothing You can't do
Absolutely nothing compares to You
Choir: I just want to be more like You
I surrender all, make me more like You
You make all things new, Your love pure and true
Nothing else will do, I'm in love with You
Lead: You are everything, everything is You
You are everything (You are everything), everything is You (everything is You)
Everybody shout now!
