NRBQ - Wacky Tobacky  
Wacky tobacky  
It made me feel so good  
Wacky tobacky  
Just like you said it would  
Everybody doin' it  
Smokin' and a-chewin' it  
They shippin' and buzzin' it  
And Congress is discussin' it  
Oh, listen to me  
'Cause I wouldn't tell you no lie  
Some folks are tryin' it  
But then they're denyin' it  
A scientist is testin'  
But you might get arrested  
Jiminy Cricket  
I wouldn't tell you no lie  
But now, wacky tobacky  
Wacky tobacky  
Oh, wacky tobacky  
It made me feel so weird  
Wacky tobacky  
I had to shave my beard  
Yeah, the old they're tryin' it  
And then they're denyin' it  
It's wicked and it's graded  
But then it's confiscated  
It's crackers to slip a rozzer  
Oh, the dropsy in snide  
Hey boy, wacky tobacky  
Wacky tobacky  
I said  
Wacky tobacky  
Wacky tobacky  
Cha cha cha
