

Sleepy Hollow

Sleepy Hollow

There's a place I call sleepy hollow
Where I go when you're not around
There's a brook running clear in the meadow
 I lose my blues in it's sound
The wind and the trees from the hollow
 Whisper secrets of life in my ear
 When I lay down in their shadows
 I dream that you're still here
The bubbling babbling brook is your laughter
 The wind blowing softly, your touch
 I've found the one thing I'm after
 Your love, your love means so much, oh
 Until you say that you love me
 And make all my dreams come true
 I'll go down to my sleepy hollow
 And dream my dreams of you
 I'll go down to my sleepy hollow
 And dream my dreams of you
