Love More Or Less

Marianne Faithfull

I travelled by the moon and the stars
And I travelled by the river and rocks
I see the gateway to the town
And the secret the Holy Land
And I always thought that love must surely be
Something clearly seen in black and white
And weak and make it how we want it to be
Or change it if we need to
Change it overnightNorth South
East West
Anywhere I choose is best
And there's nothing to it
I confess
Only love, more or less
And I loved you so much for so long
And then our love is changed
It changed every day
I know I can't control you right or wrong
Please don't shrugg it off
Don't throw it all awayNorth South
East West
Anywhere I choose is best
And there's nothing to it
I confess
Only love, more or lessI look at everything that I have done
The years, the days, the hours
Life it don't become
But it opens like a flower
North South
East West
Anywhere I choose is best
And there's nothing to it
I confess
Only loveNorth South
East West
Anywhere I choose is best
And there's nothing to it
I confess
Only love, more or less
