

# Different Hunger

Trevor Hall

This is a different hunger  
Heavier than thunder  
Satisfied by love, love  
I thought I said

Searching for pleasure but we only find pain  
Not living in a hotel living in a brie  
Chasing our chasing after lemon field  
But now we all follow us down to our graves  
If it ain't in here, it won't be there  
I say oh yeah oh yeah

This is a different hunger  
Heavier than thunder  
Satisfied by love, love  
I thought I said

That's what I said  
Looking up, looking for a higher taste  
We had it once before  
But it seems to be misplaced  
People come together cause it ain't no race

Always 21 every single day  
If it ain't in here  
It won't be there  
I say oh yeah oh yeah  
If it ain't in here  
It won't be there  
I say oh yeah oh yeah

This is a different hunger  
Heavier than thunder  
Satisfied by love, love  
I thought I said  
That's what I said

This is a different hunger  
Heavier than thunder  
Satisfied by love, love

I thought I said  
That's what I said  
Oh ooh ooh ooh  
Searching for pleasure  
But we only find pain

This is a different hunger  
Heavier than thunder  
Satisfied by love, love  
I thought I said  
That's what I said

This is a different hunger  
Heavier than thunder  
Satisfied by love, love  
I thought I said  
That's what I said

Oh my my, be humbler than a blade of grass  
Be patient and forgiving like a tree  
Speak of this love, speak of this love  
The time has come to speak of this love  
Speak of this love, speak of this love
