

# Hiya

## Maxo

Hiya, hiya, hiya, hi Don't be so jaded  
I'm quite sincere  
Though we may differ You'll be right here  
Top of the heap  
Kings of all we survey The last thing's a clinker  
Who says it's not?  
Just try your best It's all that we've got  
It's all that we've got  
It's all that we've got Hiya  
Hiya, hi  
Hiya  
Hiya, hi  
Hiya  
Hiya, hi  
Hiya  
Hiya, hi
