

Only the Girl

Bif Naked

My love's an ice cold latte
And it's running down yer shirt
You took my little heart
And then ya threw it in the dirt I won't go near yer locker
And I cannot wash my hair
I can't believe you betrayed me
And filled me with despair I can't believe horrible truth about you
Because you lied to me
I am only the girl who was in love with you
But now you lied I have developed frog eyes
From crying all the time
I won't go out and skate with my friends
I'll only stay inside You ran around behind my back
With a pretty, blue eyed girl
I am so sick of missing you
I think I'm gonna hurl I can't believe horrible truth about you
Because you lied to me
I am only the girl who was in love with you
But now you lied I can't believe you lied to me
I can't believe you
(I am only the girl who was in love with you) I can't believe horrible truth about you
Because you lied to me
I am only the girl who was in love with you
But now you lied to me
