Trust Him

Tamela Mann

[speaking:] oh my god!
ooo oooo ooo ooo ooo ooo ooo
[verse 1:]lately i ain't been myself 'cause i met the man of my dreams
see, his words are perfection, he says all the right things
i look forward to his kisses every time that i open my eyes
your'e such a wonderful present it's like a beautiful surprise.
[chorus:]see i don't know what it is but i trust him (trust him)
with all of my love, with all of my love
and all i really want to do is touch him (touch him)
if it isn't too much if it isn't too much
[verse 2:]see i just want to be around you dear 365 days a year
i want to share my whole world with him and baby i'm so glad your'e here
i get mad when i think about it for pouring out all my soul
that i wasted on them other fellas i should've met a long time ago

[chorus:]see i don't know what it is but i trust him (trust him)
with all of my love, with all of my love
and all i really want to do is touch him (touch him)
if it isn't too much if it isn't too much
[bridge:]i know this kinda scary for the both of us, but it doesn't matter 'cause i'm so in love,
it's true and baby we ain't gotta rush 'cause i can spend the rest of my life just getting to know you yeah oooooh
[chorus:]see i don't know what it is but i trust him (trust him)
with all of my love, with all of my heart
and all i really want to do is touch him (touch him)
if it isn't too much if it isn't too much
[chorus:]see i don't know what it is but i trust him (trust him)
with all of my love, with all of my love
and all i really want to do is touch him (touch him)
if it isn't too much if it isn't too much
