

# The Castle

## Tejas Brothers

Here's my baggage, hand me my staff  
I'm leaving in a boat, the plane or raft  
Oh Can my love be a love so hard to choose?  
If I were in my mind, it I would use  
Oh Goin' back to mother  
Leavin' on the double  
Think I'll go to Mexico  
Oh, oh
