Arise

Gates Praise

There's a cry going up from the city
There's a prayer going up from the saints
There's a God who's on His throne
And He says that we will win

Oh there's a cry going up from the city
There's a prayer going up from the saints
There's a God who's on His throne
And He says that we will win

Arise and shine for your light has come
And the glory of the Lord is me (glory's on me)
Light up your head for the time has come
And the glory of the Lord is me (glory's on me)

It's falling on me (me)
Its coming on you (you)
Its falling on me
Its coming on you

Oh clap your hands all ye people
We're on the winning side (on the winning side)
Oh clap your hands all ye people
We're on the winning side
On the winning side
(X2)
Ohh

Oh wey oh wey oh
Oh wey oh wey oh
Nah nah nah nah nah oh
Nah nah nah nah nah oh

Oh wey oh wey oh
Oh wey oh wey oh
Nah nah nah nah nah oh

There's a shout from the healed who were broken
There's a shout from the slaved now free
And there's a dance from the sinner purchased

There's a dance from the redeemed
(X2)

So arise and shine for your light has come
And the glory of the Lord is on me (glory's on me)
Lift up your head for the time has come
And the glory of the Lord is me (glory's on me)

Its falling on me (me)
Its falling on you (you)
Its falling on me (me)
Its falling on you (you)

Oh clap your hands all ye people
We're on the winning side (on the winning side)
Oh clap your hands all ye people
We're on the winning side
On the winning side
(X2)

Ohh greater things
(X2)

Greater things we'll do
Greater things we'll do
(X2)

Oh clap your hands all ye people
We're on the winning side
Oh clap your hands all ye people
We're on the winning side
On the winning side
(X2)

Oh wey oh wey oh
Oh wey oh wey oh
Nah nah nah nah nah oh
Nah nah nah nah nah oh
