

Just Because

Eddy Howard

Just because you think you're so pretty,
Just because you think you're so hot,
Just because you think you've got something,
That nobody else has got.
Though you make me spend all my money,
You laughed and called me old Santa Claus,
But I'm telling you honey, I'm leaving you,
Because, just because.

Just because you think I'll be lonesome,
Just because you think I'll be blue,
Just because you think I'll be foolish,
And stay home and wait for you.
Though you make me drop all my girlfriends.
You laughed and called me old Santa Claus,
But I'm telling you honey, I'm through with you,
Because, just because.

There will come a time you'll be lonesome,
There will come a day you'll be blue,
When old Santa Claus won't be near you,
To pay all the bills for you.
Though you may say I am foolish,
And think you have the drop on Santa Claus,
Well I'm telling you baby, I'm through with you,
Because, just because.
