

# Fool For You

## The Impressions

Never liked nobody that's been mean to me  
I've got a heart full of stone and I hate the misery  
Then you came along into my life  
Destroying my mind, mounting up the toil and strife  
But I'm a fool for you, I'm a fool for you  
But I'm a fool for you, I'm a fool for you  
Guess I'll always be and I claim it famously  
'Cause I'm a fool for you, it's a doggone shame  
Knowin' you don't love me, you go on and use me  
So continuously, I don't know why, I love you like I do  
When you're breaking my heart and you know it's  
true  
But I'm a fool for you, I'm a fool for you  
But I'm a fool for you, I'm a fool for you  
Doggin' me every day but child, I'm here to stay  
'Cause I'm a fool for you, you don't want me to stay  
But I'm a fool for you, do me wrong now every day  
Child, I'm a fool for you, ah ha ha hoo, I'm a fool for you
