Slipknot

Pentex sucks! pentex sucks!!
They drain the life force of my tribe
Pentex sucks!
Bonegnawers suck! bonegnawers suck!!
They roll around in garbage bins
All bonegnawers suck!!
(pentex is bleeding but night is falling)
The black hand sucks! the black hand sucks!!
Those wyrm-tainted bastard leeches

Black hand sucks!
If I had my way! if I had my way!
I'd rend them all ripped and torn
All that sucks dies!!
(sweet smell bleeding glow is melting me)
I bring my klave into battle
Shifting into crinos - I slay wyrmfoe
Then I step sideways....
You can't see me, for I hide within the umbra
