## Slipknot

Pentex sucks! pentex sucks!!  
They drain the life force of my tribe  
Pentex sucks!  
Bonegnawers suck! bonegnawers suck!!  
They roll around in garbage bins  
All bonegnawers suck!!  
(pentex is bleeding but night is falling)  
The black hand sucks! the black hand sucks!!  
Those wyrm-tainted bastard leeches

Black hand sucks!  
If I had my way! if I had my way!  
I'd rend them all ripped and torn  
All that sucks dies!!  
(sweet smell bleeding glow is melting me)  
I bring my klave into battle  
Shifting into crinos - I slay wyrmfoe  
Then I step sideways....  
You can't see me, for I hide within the umbra
