Outstanding

Stonefunkers

Outstanding, oh no
Girl you knock me out
Yes you do
Exciting, ooh oh
You make me wanna shout
Oh yeah
Girl you're lookin'
Sweeter now
When I'm with you everyday
Girl
Wish that
I could love you right
In a special way, girl
You blow my mind
I feel so alive
You blow my mind
Yeah, yeah
I am satisfied
Outstanding
Oh no
Girl you knock me out
Yes you do
Exciting, ooh oh
You make me wanna shout

Do you see
I feel so lucky girl
To have you all alone
Yeah, yeah, yeah
I really love
The way you love me
Whenever I'm alone, baby
You blow my mind, baby
I feel so alive, baby
You blow my mind, baby
You blow my mind, baby
[Repeat]Outstanding
Girl you knock me out
Exciting, ooh oh

You make me wanna shout
Yeah yeah, oh yeah yeah
Outstanding
Girl you knock me out
Oh yeah
Exciting, ooh oh
You make me wanna shout
Outstanding
