[Verse 1: Giggs]From the days when a nigga had a flag flying

I been mad fly I'm a swag giant

Got my shit ready to swipe up a tag time

You sorry niggas on the sad side

Swag I think I got it from my dads side

Come and put that pussy on my flash light

On my laps nice show you where the flash light

Niggas wanna talk all that splash hype

My nigga empty 30 bottles on a bad night

Grands from the crack

Bag pipes

This the round table and I'm the black night

I'll scratch your back if you scratch mine

My voice make a bitch wet like a chat line

You bitch nigga Bad mind

Keep switching up the flow cause

Nigga chat mine

My bread long like a mother fucking big bagette
Mad expensive table expensive tables feeling like a major leg
Caucasians following me round and they ain't the Feds
Puff puff pass sip sip vomit

Get the party started like a Gin and Tonic
Every thing I do I do it BIG Chris Wallace
