

Love You Still (feat. Dominic Neill)

DJ Kent

I had a love, when you came along,
But now you're gone, now you're gone.

Picnics in the park, we did it all.

I loved you my dear. Rise and fall.Rise and fall.

The rise and fall.

The rise or fall.But who says I needed someone to break my heart.

Who says you needed to come along and tear it all apart.

Cause I don't Know-oowoh-oowohooowoh, but you do it so well.

I know it's crazy-ee but I love you still.I love you still.

I love you still.

Oh, I love you still.

I love you still.I love you still.

I love you still.

Oh, I love you still.

I love you still.Oh, we watched the sunset, we even watched it rise.

Oh it hurts my heart, hurts my heart to think about those times.

I wore my heart on my sleeve-eve, no.

And I never would have though, I never would have thought, that you'd leave.That you would leave

Oh, that you'd leave-eve, whoah-oh-oh.

That you'd leave.But who says I needed someone to break my heart.

Who says you needed to come along and tear it all apart.

Cause I don't Know-oowoh-oowohooowoh, but you do it so well.

I know it's crazy-ee but I love you still.I love you still.

I love you still.

Oh, I love you still.

I love you still.I love you still.

I love you still.

Oh, I love you still.

I love you still.I thought we had it all, I knew we'd rise and fall.

But I gave you my heart, I gave you my whole.

I thought we had it all, I did what I could.

And you kissed me like somebody who loves me should.I thought we had it all, I knew we'd rise and fall.

But I gave you my heart, I gave you my whole.

I thought we had it all, I did what I could.

And you kissed me like somebody who loves me should.But who says I needed someone to break my heart.

Who says you needed to come along and tear it all apart.

Cause I don't Know-oowoh-oowohooowoh, but you do it so well.

I know it's crazy-ee but I love you still.I love you still.

I love you still.

Oh, I love you still.
I love you still.
