Sing Redemption's Song

Israel Houghton

I was lost, I was desperate and broken
Wounded heart and the wounds were still open
That's the way You found me
That's the way You found meTurn the page by Your hand
Yesterday washed away as You write in the sand
My accusers, where are they?
One by one in the silence they all walk awayAnd I will worship You for all that You are
And all You've done for me
As long as I live I'll sing
I'll sing redemption's songWeeping comes in the night
But there's joy, blessed joy in the morning sky
Now that I, I belong
To the One who has given the words to the songAnd I will freely sing of all that You are
And all You've done for me
As long as I live I'll sing
I'll sing redemption's songSing redemption's song
All that You are and all You've done for me
As long as I live I will sing
I will sing redemption's songI was lost, I was desperate and broken
That's the way You found me
That's the way You found me
That's the way You found meThat's why I love You
That's why I love You
That's why I love You
That's why I love YouThat's why I love You
That's why I love You, why I love You
