

# One Trick Pony

Paul Simon

He's a one trick pony  
One trick is all that horse can do  
He does one trick only  
It's the principal source of his revenue  
And when he steps into the spotlight  
You can feel the heat of his heart  
Come rising through  
See how he dances  
See how he loops from side to side  
See how he prances  
The way his hooves just seem to glide  
He's just a one trick pony (that's all he is)  
But he turns that trick with pride  
He makes it look so easy  
He looks so clean  
He moves like god's  
Immaculate machine  
He makes me think about  
All of these extra movements I make  
And all of this herky-jerky motion  
And the bag of tricks it takes

To get me through my working day  
One-trick pony  
He's a one trick pony  
He either fails or he succeeds  
He gives his testimony  
Then he relaxes in the weeds  
He's got one trick to last a lifetime  
But that's all a pony needs  
(that's all he needs)  
He looks so easy  
He looks so clean  
He moves like god's  
Immaculate machine  
He makes me think about  
All of these extra movements I make  
And all of this herky-jerky motion  
And the bag of tricks it takes

To get me through my working day  
One-trick pony, one trick pony  
One-trick pony, one trick pony  
One-trick pony (take me for a ride)  
One trick pony
