Paranoia

Psychocide

Paranoia
Music & Lyrics : Goldwyn Thandrayen

Take me back, take me back to the last time,
When I could see her, I could hear her for the last time,
Just a word, just a breath, just this last time
Maybe its the last time,
God I swear the last time.

Heâ€™s just like me, he keeps running all the time
Heâ€™s just like me, oh my oh my,
Heâ€™s just like me, heâ€™s got this very odd side,
Heâ€™s just like me, heâ€™s just like me.

This wasnâ€™t my intention,
False hopes that I have given,
Thereâ€™s so much I can take,
This is what I like most,
This is my paranoia

I feel so alive, i feel dead inside,
I feel so afraid when excited,
I feel so unkind, so insecure,
I feel so alone when surrounded.

Wake me up, make it stop, for the last time,
Cut me deep, let me bleed for the last time,
I can feel, I can breathe, for the last time,
Maybe for the last time, second to the last time,

Heâ€™s just like me, he keeps running all the time
Heâ€™s just like me, oh my oh my,
Heâ€™s just like me, heâ€™s got a different mind,
Heâ€™s just like me, heâ€™s just like me.

This wasnâ€™t my intention,
False hopes that I have given,
Thereâ€™s so much I can take,
This is what i like most,

This is my paranoia

I feel so alive, i feel dead inside,
I feel so afraid when excited,
I feel so unkind, so insecure,
I feel so alone when surrounded.

Mama donâ€™t be sad, donâ€™t be alarmed,
Iâ€™ll be alright, Iâ€™ll fight it,
But Iâ€™m tired now, Iâ€™m worried that
Iâ€™ve lost my mind.

Take me back, take me back to the lost time
Take me back, take me back to the lost time
Take me back, take me back to the lost time
Maybe for the last time,
God I swear the last time.

This wasnâ€™t my intention,
False hopes that i have given,
Thereâ€™s so much i can take,
This is what i like most,
This is my paranoia

This wasnâ€™t
This wasnâ€™t
This wasnâ€™t my intention,
False hopes that i have given,
This is what i like most,
This is my paranoia.
