Motivate

The Ernies

Motivate
Said, we've got to motivate
Ourselves right now
Motivate
We've got to motivateSane thing happen
Everyday and every night
And I know
All I wanna do is hold you tightWhen I look around
I see that things are going downMotivate
Said, we've got to motivate
Ourselves right now
Motivate
We've got to motivateDo you open your eyes
To the things that we're fighting for?
'Cuz I know I don't
Wanna lose like we lost beforeWhen I look around
Our satellites' been on the groundMotivate
Said, we've got to motivate
Ourselves right now
Motivate
We've got to motivateThink of the way
Think of the way that you walk around
Do you open your eyes
To the things that are going down?When I look around
I see the world's been upside downMotivate
Said, we've got to motivate
Ourselves right now
Motivate
We've got to motivate
