

Don't Leave

Wave

I laid my heart out on the line
I couldn't keep it locked inside
All because my pride
I was so wrong With every moment that goes by
I wonder how can I
Keep you in my life Don't leave this way
I ain't too proud to beg
And I know
That I'm to blame
Though I never meant to hurt you at all Please try to understand
This is not what I had planned
Now it's all in your hands
Don't let it go Don't leave this way
I ain't too proud to beg
And I know
That I'm to blame
Though I never meant to hurt you at all I never knew love like this before
I never wanted more
I'd never let it go Don't leave this way
I ain't too proud to beg
And I know
That I'm to blame
Thought I never meant to
Hurt you at all [CHORUS]
